Robert,

Mr Coccoran

Dear Sir

By the kind suggestion of Mr Burs-
tadt we respectfully submit a proposition for decorating
the large Gallery in the building known as the Coccoran
Art Gallery - located in the City of Washington - D. C.

1st In accordance with the second sketch submitted we
propose to carry the idea of the decoration of the large
cove around the entire room with Classical Allegorical
ornamentation including a number of large med-
allions portraits representing the most celebrated Mas-
ters - in Baso relievo imitation bronze - The large cornish
and brackets to be done in different shades - picked
out in different metallic tints - Between the brackets in
the aforementioned Cornish we propose a panel with
the name of celebrated Artists thereon as suggested in
the sketch. The ornamental work around the sky-
light to be treated similar to the cornish and in
a tone that will harmonize with the entire work.
we propose to execute the above work in Tempura,

2^d We propose to paint the walls in Oil Color to give
the same four coats the last to be stippled and
flatted and to be about the same tone as suggested

in the sketch.

The price for the above mentioned work as proposed will
be Eighteen Hundred dollars. I would not like to
estimate any lower without first seeing the place. It
being a public institution and feeling it may add
to our reputation. I will name a lower figure (if I
can possibly do so without losing money) I will
require about two months time to execute the above
work - but would like to know your decision as soon
as possible so we can have the Cartoons ready - for this
is a large parts of the work.

Very Respectly

V. G. Stiepevich & Co

Art Gallery, while
you have the certainty
that it will not cost
more than that sum.
Any modification of the
sketch he will make

sure produce the finest

Sincerely yours

Dear Dr MacLod:

I have written
a line to Mr. Loefer
and enclose Mr. Stepanich's
estimate which if it
meets with approval
please acknowledge
as he would like to
begin at once upon
it. The cartoons

as you know would
take some time
to do. and he wants
to make something
which will do himself
credit, and if it can
be done for less money
he will make the
deduction. and I
know he will. The

truth is he would
like to do something
for the Capitol ~~or~~^{or}
some other public
Building and after
his work is completed
and his men paid
he will say I have
so much left and
it is for the Colman

Dear Mr. Cochrane.

At your suggestion

I requested Mr. Stepmick
to send you an estimate
of the cost of decorating
the walls of your gallery.
He tells me furthermore
that if it is possible
to do it for less money
he will do it. as he
is desirous of showing

What he can do in
that way.

I have always
found him honest
and fair in all his
work and that is
his reputation among
people that have
employed him.
I feel quite sure

you will be pleased
with the result.

Of course the sketch
you have can give but
a faint idea of what
it will be.

Hoping this will find
you well I am

As no bill given Sept. 8th there

Dear Sir,

Your letter to me just recd. It is dated W.C. June 24th, and has been following me to several addresses. Unless I am very much mistaken, you were informed last fall by my brother, or myself, that after then you were to communicate with him always, as I was an invalid bound for Colorado. Had you done so you would have rec'd a prompter reply, and given him an opportunity to think a moment as to what to do.

I now write him in the same mail with this, and he will at once write you what to do. We have the large packing box for it then, put in your care I think by the late Col. Audenried. Please take good care of the painting until we have time sufficient to move it.

Mrs MacLeod Esq

Dear Sir

Your favor
of 8th inst at hand. I am sorry that
I did not make my letter to you in
a b'g more explicit so that you would
have been avoided all the trouble that
we have occasioned you, the Doctor
living at so great a distance from Washington
was the reason why he has empowered
me to place myself in correspondence
with you.

I am pleased to learn that
you had not been placed at any

Further inconvenienced and that the
painting will not be in your way
until Sep 15th.

I have just seen Senator
J. P. Jones of Nevada who has
kindly offered to take it to his house
and hang, as soon as he returns to
Washington this fall or about the time
of the assembling of Congress.

If not inconsistent with the
rules of the Gallery will you grant in the
favor of having it remain there until that
time, or longer if agreeable to the Interior

Yours very respectfully

Dear Sir

I have this day rec'd your letter addressed to my brother who is living in Denver Colo. The letter was sent to him here and from here to Brooklyn and from there to Denver where he rec'd it and at once sent to me. The letter is dated June 24 and now it is July 9th hence the delay in not answering. you have given us so short a time that we scarcely know how to dispose of the printing. Mr W. Seed

with the Col was that as the box that the painting came to the Dept in had been ~~been~~ destroyed while at the Dept, that they would furnish as good a one or pay for one being made.

Please let me hear from you at your earliest convenience in regard to it.

Yours very respectfully

Could you kindly make any suggestions in regard to having the painting remain on exhibition ^{some where else} or in a private house in Washington for the present.

has my address and should have written to me as I told him the Doctor had left the City for some time to come.

Will you be kind enough to enquire the cost of freight from Washington to New York and what mode of shipping it will be the cheapest.

I have a letter of Col Andrews of Gen Sherman's Staff, lately deceased wherein he says that if the Carpenters of the Locks and Gallery will make a box for the painting, that his Department will pay for it. The letter is dated March 28th 1879.

If not asking too great an indulgence of your time would you be kind enough to make inquiries whether they are willing to keep Col Andrews' promise. If so please have them attend to it at once so that the painting can be shipped. I understand
